Reason For Dispute

I have NO knowledge or records of the listed accounts.
Please advise me as to the names and addresses of the medical providers, the dates and types of medical services and to whom the services were provided, as any accounts I MIGHT have had may be OBSOLETE. If you can obtain this information, I would also need the name of the person providing the data and the manner in which it was provided so I may pursue additional legal remedies. Enclosed credit report copy with accounts circled.
